

Rule Financial in Top 100 Technology Companies

Rule Financial's success over the past three years has won it a place in the prestigious Sunday Times Microsoft Tech Track 100 league table published yesterday, September 28.

The table ranks Britain's hundred fastest-growing private technology companies by sales growth, with Rule Financial averaging 38% a year from £7.1 million in 2004 to £18.7 million in 2007. Rule last appeared in 2003 when the company was a fraction of the size.
